**Singers Seek Harmony On Committees**

The new Palos Verdes chapter of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Inc., is expecting plenty of harmony — in more ways than one. One of the society's expressed objectives is harmony and President Walter Jay Stephens has announced plans to carry this out even on committees. Each committee will consist of four members — a complete quartet, ready to harmonize at the plunk of a piano. The program and events committee of the SPEBSQSA consists of Kermit Skele, baritone, chairman; Jim Skiffington, tenor; Franklin Steinko, lead; and Hank Bonfig, bass. This committee is designed to educate the public in music appreciation.
